

Needs List

2022-2023

Kidz Konnect 4 Jesus is a long term ministry on the ground. We are often asked “*what supplies do you need?*”. While there are some specific needs that arise from time to time, the list below represents the most constant needs within our ministry. We would kindly ask that each team member bring at least one Bible and one other item from below.

- Adventure Bible for Early Readers, NIV hardback.
It is our goal to give all kiddos the same Bible. We are hugely appreciative of any supplies donated but would ask that each person bring at least one of this exact Bible
- Jumbo "Fat" Pencils and Chubby Crayons - for preschoolers' little hands!
- Used Laptop computers with password cleared
- Regular pencils and crayons
- More pencils and crayons!
- Children's Scissors
- Markers
- Colored Construction Paper
- Soccer balls, Volleyballs and Basketballs (deflated)
- Used Cell Phones - password deleted
- Sports ball pumps, needles
- USB Thumb drives
- Children's Tylenol (liquid or chewable) & Children's Vitamins

Note: Donated supplies are distributed to KK4Jesus schools, based on need, as determined by our team on the ground. If you are bringing supplies as part of a Mission Trip it is likely that the supplies you bring will not be distributed or used during your trip, but rather for the upcoming school year.
